

The BCAS 10-7 Association Society provides a network for retired personnel to stay connected, offers support, and hosts social events and gatherings. We advocate for issues related to retired paramedics and provide resources for those who have transitioned out of active service.

If you have served with BCAS for 15 years or more and are moving into retirement, we welcome you to join our fellowship of retired BC Ambulance Service professionals. Our annual membership dues are only \$20.00!

Here are a few of the benefits you can enjoy when you join the [BCAS 10-7 Association](#);

- Monthly get-togethers with other retired members conveniently held at numerous locations throughout the province.
- Up to date news through our members-only social media channels and email notifications.
- Full access to the members only area of our website.
- Informal resources on a variety of issues such as retirement benefits, post-retirement employment, previous WSBC claims and former employment records.

We care about our members, their families, and our history. Some of the services that we provide include;

- Wellness checks with our members who are experiencing declining health or difficult circumstances.
- Preserving the history of BCAS by procuring, cataloging and storing artifacts and oral histories. Archival items are available on loan to members for special events.

- Supporting the Fallen Paramedics of BC Memorial Fund Society. Every year we are honoured to lay a wreath at the Fallen Paramedics Memorial at the BC Legislature.
